(a) whether according to the plan approved by the Union Cabinet, the Planning Commission is setting up Inter-Ministerial Working Group to work out the finer details of the reform agenda in higher education;

(b) whether all Central assistance would be linked with implementation of strong reform, aimed at restructuring higher education;

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH): (a) to (e) In the Eleventh Plan document, the Planning Commission has, *inter-alia,* suggested that an Inter-Ministerial Group should be set up to work out a detailed reforms agenda in higher education. While no such Group has been constituted, the University Grants Commission (UGC) has initiated steps for academic reforms in higher education by addressing all the universities to urgently take up various reforms including the examination reforms doing away with annual examination by introducing semester system with continuous internal assessment, introduction of credit-based courses, regular curricula revision, credit accumulation and credit transfer system to permit mobility of students. As of now, grant of central assistance is not linked to reforms.

A Review Committee comprising eminent academics and Government representatives from Planning Commission, Finance and the Human Resource Development Ministries, has been set up to review the role of University Grants Commission and the All India Council for Technical Education, in the context of changes in higher, professional and technical education in the country and demands of a knowledge economy.
